COMPONENTS: 1 custom stainless steel lock, 1 six foot loop-ended security cable, 1 anchor plate with screws, 2 keys

COMPATIBILITY: Small Desktop Optiplex GX50, GX150, GX240, GX260, Precision Workstation 340

DESCRIPTION: The Dell Small Desktop Anti-Theft Security Kit is a custom designed all-in-one locking solution to protect the chassis and internal components while securing the monitor, keyboard, mouse or speaker cables. The locking unit can be looped or anchored to the desk. Provides maximum security and is absolutely the best lock on the market for the Dell Small Desktop chassis. Requires no adhesives and is easy to install.
